WATER ADVISORY

The Leyte Metropolitan Water District (LMWD) hereby informs its concessionaires in **Palo & Tanauan, Leyte** that the **WATER SERVICE INTERRUPTION** being experienced today **June 15, 2017** is due to the damaged line valve located at Brgy. Cavite East, Palo, Leyte.

Urgent repair has already been undertaken last night, however, water supply will be restored gradually anytime within the day so as not to cause sudden increase of water pressure which may result to any possible damage/s along the line.

Please bear with us in this temporary inconvenience.

Thank you for disseminating this information.
