

WATER ADVISORY November 10, 2017

This is to inform all our water concessionaires in Tacloban City that a **LOW & POSSIBLE TURBID WATER SUPPLY** may be experienced tomorrow, November 11, 2017.

This service interruption is due to the scheduled cleaning in the Water Treatment Plant 2 Sedimentation Basins at Brgy. Tingib, Pastrana, Leyte.

With this, we advise the concessionaires in the affected areas to store water for their consumption during the interruption.

Water supply will be restored immediately after the activity.

Thank you for disseminating this information.
